cinema seating collection

welcome

Since Ferco's inception in 1983 our desire to be clients' partner of choice has been at the forefront of our philosophy. It is reflected in our commitment to friendly, professional customer service and unwavering attention to detail.

In house design and manufacture capability means we deliver design-led, world class seats and enables us to set trends rather than follow them.

Our state of the art facility incorporates the latest technology and manufacturing methods with rigorous quality control.

Our designers are creative problem solvers - they arrive at seating solutions that best fit your facility. We love to talk design, aesthetics, solutions and functionality. This is our passion. It runs through our company.

We have a network of offices in central locations all over the world. Filled with knowledgeable and friendly people. we're equipped to deliver any seating requirement - regardless of size or location. With clients in over 60 countries we provide global reach with a personal touch.

Our dedicated regional sales teams understand local customs. They offer professional guidance and experience, and they're flexible in helping clients to achieve their needs.

And we're most proud of our people. All of them live by the belief that nothing is impossible. They're here to inspire you. To help you create a space that in turn inspires and entertains your audiences.

Environment friendly seats. For a better world.

We're passionate about the environment - and about providing world-class workplaces. All of our products are made in safe working environments that are eco-friendly as possible. And we're constantly looking for new ways to improve our quality, environmental and safety management systems. PSB Singapore have given to us the license being the first seating company to receive a green certificate

Our seating complies with all applicable legal, statutory, regulatory and occupational health and safety requirements, and carry a worldwide five-year manufacturer's warranty.

We have ISO 9001:2004 and ISO 14001:2004 accreditation firmly in place.

So our production management processes and environmental management systems incorporate the latest technology in terms of materials and construction methods. And they have been strictly regulated to achieve both maximum efficiency and minimum environmental impact.

Quality of product is paramount to us. And so is protecting the environment. We have stringent quality checks in place, from order to shipping. These have been designed with a full documentation trail, which means our customers can be free of concern from start to finish. It also means we're making sure our carbon footprint is as small as possible.

seating made better

Investment in luxury seating is being embraced by exhibitors around the world from the large multiplexes to the boutique operator.

Premium seating greatly enhances an audiences experience, resulting in increased client satisfaction, loyalty and retention.

Cinemas are powerful spaces. People go to be entertained. To be carried away by stories. To lose themselves in the world on the screen.

The right space creates the ultimate audience experience. That is why we're so passionate about designing the seating that fills these spaces.

Looking at the big picture, we focus on the details of design. We love aesthetics but we're not just about design that looks great, we're about design with purpose.

We are passionate about working with you to create a beautiful cinema space that delights your audience and increases customer loyalty.

Attention to details, work ethics, expertise - you can see it in every one of our seats. This is the heart of our company

mission

exceed customer expectations
live by design
inspire a happy team

Premium

Cinema is in a period of exciting change and fundamental to operator success is the ability to maximise revenues and retain customers.

With this in mind, Ferco has developed the Premium Collection.

Luxurious electric recliner seats, which can be customised to suit the aspirations of individual cinema operators, including privacy booths, individual integrated tables and iPads to enable remote ordering of food and beverages.

The Ultimate. No less.

seating made better

Reading Cinema, Australia
Model: Premium Verona

Turino

Cinematic art of comfort

An opulent, fully-reclining cinema chair in a classic, quintessentially British design.

With enhanced cushioning, the Turino is the ultimate in cinematic comfort and shares optional features with the Premium Verona.

This model is available as individual, or twin seats with space to include of a pedestal table.

The perfect choice for state-of-the-art home viewing rooms and luxury boutique cinemas.

fully reclining

Verona Dual Motor

Discerning luxury

The Verona is a fully reclining cinema chair designed for maximum comfort and style.

Beautifully crafted and available as a single seater, a twin seat or a link-seat with shared armrests.

Two individual motors control the footrest and backrest separately, allowing any user to adjust their reclining position to precisely their own comfort level.

The Verona includes a footrest sensor, so no hands or valuables get caught in moving parts.

The optional easy-lift system gently and effortlessly tips the seat forward to enable cleaning and maintenance. Automatic underseat lighting provides a visual aid whilst doing so.

Other optional features include footrest and backrest auto return, integrated tables, lighting, integrated cupholders and USB charging point.

Verona Zero Wall

Saving space in every cinema

Specifically designed for cinemas where capacity and comfort are of equal importance.

Clever design enables the backrest to recline into the space created by moving the seat base forward simultaneously.

As there is no gap left behind the seat, the requirement for safety handrails is negated, resulting in lower capital expenditure and a more pleasing aesthetic.

The Verona Zero Wall saves space and ensures that you maintain audience capacity. Whilst also delivering the same luxuriousness and feature options as the Premium Verona model.

A premium enclosure panel can be added to create a feeling of exclusivity and home from home ambience. Integrated lighting helps clients locate items and read menus.

Verona Zero Wall with premium enclosure panel

Verona Lite Zero Wall

All the comfort. All the space

All the luxurious comfort of the Premium Verona without the space requirements.

The Verona Lite has a motorised backrest which will enable it to fit into many existing premium areas, improving audience capacity and reducing capital expenditure.

Available as a single, twin, or link seats with shared armrests.

Customisation and additional features mirror that of the Premium Verona.

Perfect for smaller cinema spaces.

link seat

Milano

The Italian Job

Like the city it was named after, the Milano is all about style.

It can be a fixed seat or with electric controls for operating the footrest and / or backrest.

Easy. Comfortable. Stylish.

Available as a single, twin, or link seat. Milano comes with a range of options and additional features.

Perfect for any cinema venue.

Dual motor

Lucca

A gentle glide back

A sleek and streamlined aesthetic for modern cinemas.

The premium glide seat option has an ergonomic reclining solution that operates without the need for electric motors and controls.

As you lean back it intuitively glides into a reclined position.

Featuring an innovative sliding design that allows for a superior seating position, simple operation and exceptional comfort.

Glide

Opus

A big step forward

We have spared nothing in giving you the maximum sitting comfort.

This recliner is extra special, the shape of the seat and back embraces you and gives your body support in all the right places.

An economical reclining solution that operates without the need for electrical motors or controls; this market leading seat offers the ultimate in comfort.

The back and headrest are made from foam and fibers and as you lean back it intuitively glides into a reclined position.

The innovative sliding design allows for a superior seating position, which provides the ultimate in relaxation and an even more enjoyable movie experience.
